AFTERCARE

After careful planning and consideration, we are happy to be able to provide a safe aftercare environment for our children. We will be offering Aftercare from Monday 10 October 2020. In planning to offer a COVID-19 safe Aftercare environment, we have to limit the capacity. We will no longer provide an Adhoc service as we did before – you will need to prebook a space.

The hours

To be inclusive and maximise the space available, we have decided to offer two sessions per day.

	Starting	Ending	Cost
Session 1	13:00	14:45	R60
Session 2	14:45	16:00	R60

Aftercare will begin at 13:00 each day, starting with the first slot which ends at 14:45. There is a second session that runs from 14:45 through to 16:00 each day. Each place will need to be booked.

We ask you to please support our COVID protocols in ensuring your child is picked up timely. The last thing any of us want is a reversal of the progress we are all making as we work in a post COVID world.

How to book a space

To keep all of our children safe and adhere to the physical distancing regulations, we require families to book a space in Aftercare. We have a capacity for a total of 20 children. We will offer 18 places on a booking platform, and hold two spaces for any last-minute emergencies. Should you be faced with an unforeseen emergency, and require Aftercare for your child, we ask you to phone Lily (not to visit the office) to ask if your child can attend.

The booking platform will be available on our school website.
